## Cowand, Bourg, Seymour, Farve left for run-offs

BY DENA BISNETTE

Hancock County, according to Tuesday's vote in the special elections for supervisor, will soon have a female supervisor in Beat Three and one with city council experience in Beat Four.

Out of 12 candidates, voters selected two women, Lisa Cowand with 679 votes and Hilda Bourg with 444, as the front-runners in Beat Three. The two will face each other in the

LISA COWAND

run-off in two weeks.

The Beat Four run-off is between a Bay St. Louis city councilman, Wilmer Seymour, and a former city councilman, Harry Farve, who is also one of the first black candidates to run for a supervisor's post in Hancock County. Seymour led with 408 votes, with Farve in second place with 296, according to unofficial tallies.

Candidates placing third to ninth in Beat Four were Jim Odom, 244 votes; Billie Fay Lyons, 222; Kelvin "Big E." Schulz, 219; John W. Wilkerson, 185; James E. Drummond, 140; Martin A. DeSalvo Jr., 121; and Albert D. Biehl III, 116.

In two school board races that went on when Judge Jerry O. Terry decided Monday not to grant an injunction to three voters and a candidate who had requested one, incumbent Carol Bustetter won the Beat Three seat with 1,371 votes over opponents Johnnie Richard, who had 831 votes, and Louie Ladner, with 381 votes. Kay L. Sones was unopposed in Beat Three, but received 387 votes anyway.

Two long-time election commissioners were unseated

HARRY FARVE

Cowand indicated that she was thrilled with the vote she received and appreciated the support of everyone. She added that she will again be seeking the voters' support in the Nov. 22 run-off.

"I want to thank all those who came out and supported me and, really, everyone who took the time to vote on Tuesday. At this time, I would like to seek the support of everyone in the run-off election two weeks from now," Bourg stated, describing herself as "elated."

Seymour and Farve also thanked voters and asked for their support in the run-off.

HILDA BOURG

Tuesday when Floyd Breaux, 1,019 votes, defeated Charles F. Gottschalk, 833 votes, in Beat Five and Sandra Garber, 1,064 votes, defeated Francis Lee, 850 votes, in Beat Two. The remaining three commissioners, Jimmie Ladner in Beat One, Betsy Nolan in Beat Three and Eugene Dillmann in Beat Four, were unopposed.

Hancock Countians preferred to keep the unit system, voting for it 8,268 to 3,177, and went with the rest of the state in choosing to continue electing county school superintendents, voting 3,682 for an elected superintendent and 2,205 for an appointed superintendent.

The county voters also went with the majority of the state in its choice of president, Senator and State Supreme Court Justice, but Bay St. Louis resident Gene Taylor would have gone to Congress if the rest of the Fifth District's voters had agreed with the local electors.

Taylor, who was actually defeated by Larkin Smith, received 7,344 votes here to Smith's 4,240.

## Bay St. Louis, Waveland to have Vets Day parades

### Waveland

Bourgeois-Stieffel-Ray Post 77 of the American Legion, located in Waveland, the "Hospitality City of the Coast" will host its second annual Veterans Day parade Friday, Nov. 11.

The parade will start at 10 a.m. The route will be out of the parking lot of the post home onto Terrace Avenue, south to the beach making a right turn towards Coleman Avenue, again making a turn up Coleman Avenue, passing the central business district of Waveland.

It will proceed to Central Avenue making another right turn east on Central Avenue to Terrace Avenue, another right turn south and return to the post home; the entire route being 1.1 miles.

Upon completion of the parade the public is invited to the post home for Bourgeois-Stieffel-Ray Post 77 Veterans Day program.

The National Anthem will be played by Pearl River Community College Band, as the colors of our country are placed in their proper places.

Guest speaker this year will be Lt. Col. Stephen C. Zakrzewski, commander of the Mississippi Army Ammunition Plant. He took command on Feb. 4.

It. Col. Zakrzewski's other credits are many and Post 77 is proud to have such a distinguished guest speaker, according to a spokesperson.

The officers and members of both the American Legion Post 77 and Unit 77 wish to extend to all an invitation to the second annual Veterans Day parade and Veterans Day program.

## Attempt to halt school election shot down in court

BY D.C. HARVILL

When Hancock County voters went to the polls Tuesday they selected two new school board members, but that would not have been the case if a lawsuit in opposition to the election had not been shot down in court Monday.

A lawsuit filed Friday by school board candidate Johnnie Richard, J.C. Seal, J.T. Newkirk and D.H. Martin claimed the school board election was in violation of the Voting Rights Act of 1965 because it was being held according to existing supervisor district lines.

They also contended that the use of the supervisor district lines had not been pre-cleared by the U.S. Justice Department.

The suit listed as defendants the Hancock County Election Commission and the County

"without a fair and impartial election system there can be no democracy."

"With that in mind I brush aside the issue of timeliness," he said. "We must consider not only the concerns of the named litigants, but also those of the unnamed residents of this county and blend them with those of the plaintiffs."

The judge said it was his opinion that pre-clearance of the part of the county was not necessary since the state legislature had already taken the necessary action.

"It is the opinion of the court that the necessary pre-approval process has been accomplished. The statutory scheme has been followed in implementing House Bill 1127," Terry said.

His decision does not, however, preclude the case from future review on the basis of

racial problems, Terry said.

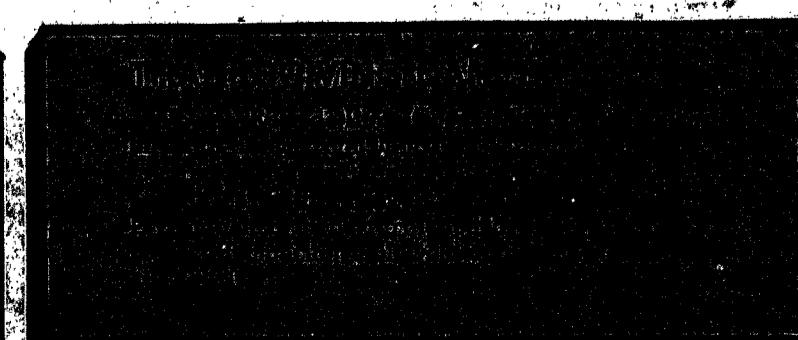

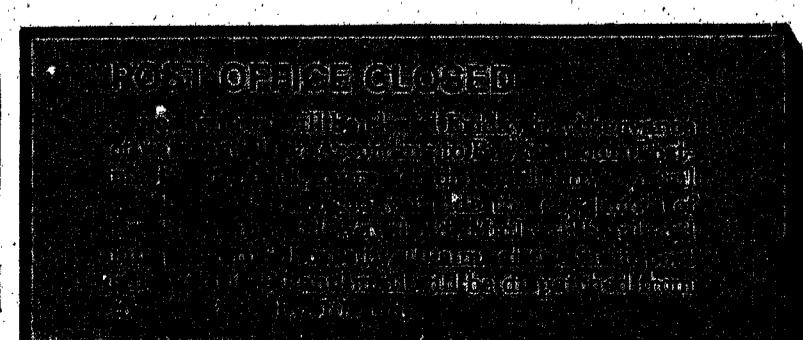

"In this election, school board members will be put to a test of the people they will serve and I can't see how anyone can have a problem with that....The election will be held as planned," the judge concluded.

"We didn't file this suit to change Tuesday's election. We are seeking to get the people of Hancock County a fair shake at the polls, not just in this election but for future races as well," said Richard, who subsequently lost his bid for the district three school board post.

Superintendent of Education Terrell Randolph contended that the case is just a spin-off of the school race controversy.

"This action cost the county several thousand dollars. This is a frivolous suit to begin with."

## Veterans Administration is newest cabinet agency

On Oct. 25 with President Reagan's signing of the "Department of Veterans Affairs Act," the Veterans Administration became the newest and one of the largest agencies on the president's cabinet.

Jeff R. Ryker, director of the Jackson VA regional office, said the agency's increased organizational prestige and access to the president will have a salutary effect on all VA operations in Mississippi. The VA has medical centers and vet centers in Jackson and Biloxi, and national cemeteries in Biloxi, Corinth and Natchez, in addition to the regional office in Jackson.

"It will not affect any facility's day-to-day operations," Ryker said. "The VA's mission is to provide the best possible service to veterans and depen-

dents. VA employees, many of whom are veterans themselves, are all dedicated to that goal, and being a cabinet level agency will not change this. However, we do believe, the increased attention, access to the president and public awareness of veterans' contributions and needs can't help but strengthen support for the VA's work here."

The new department, the 14th Cabinet agency, will officially replace the VA on March 15, 1989.

At the formal White House

signing ceremony, administra-

tor of Veterans Affairs Thomas K. Turnage said, "This is the most significant day in America's long history of providing comprehensive services to those who have defended freedom and democracy—our veterans."

Turnage noted that cabinet level status for the agency will give it greater opportunity to represent the interests of 80 million veterans and their dependents in helping shape national policy."

# Beach clean-up wins national recognition

BY DENA BISNETTE

The Mississippi Marine Debris Task Force has been notified by Keep America Beautiful Inc. that its entry in the "Take Pride in America/Keep America Beautiful" competition has received a first place award.

Task force members were

notified this week of the award, which will be presented Dec. 9 in Washington, D.C., during Keep America Beautiful's national awards luncheon.

The award will be presented to representatives of the Mississippi Marine Debris Task Force, which includes Hancock,

Harrison and Jackson counties.

Ellis Cuevas represents Hancock County on the task force.

The task force spearheaded the "Take Pride Gulfwide" clean-up day, which had numerous sponsors including the Hancock County Chamber of Commerce in cooperation

with the Hancock County Board of Supervisors and the cities of Bay St. Louis and Waveland.

The late September event attracted more than 350 participants in Hancock County alone and more than 1,200 volunteers along a 30-mile section of coastline.

Approximately 184 tons of trash and litter were collected in a single day, along with an additional ton of hazardous debris.

Cuevas, who also serves as beautification chairman for Hancock County Chamber of Commerce, stated, "I am elated over the award and I feel it goes

to all of the participants in the three communities for a tremendous clean-up effort."

"It is great for these many volunteers to be recognized and I really appreciate the spirit of cooperation of all the members of Hancock County in our beautification efforts."

## "QUOTEABLE QUOTES"

By Ellis C. Cuevas

Tuesday was a beautiful day for elections to be held, and the only thing we could find fault with were the gnats.

Gnats appear to be at full force now, as they even tend to bother me some.

It was good to see so many qualified electors voting for the candidates of their choice.

It is good to live in a democracy where the people can elect the people they want to lead them, as there are many countries where the public has no input whatsoever as to whom is elected.

We hope the voters in Districts Three and Four will remember to get out and vote on Tuesday, November 22 for the run-off elections.

There were many candidates on Tuesday and now the field has been narrowed to two candidates in each contest.

Just think, Hancock County will have the first woman ever as one of our five members of the Board of Supervisors after the run-off election.

The Circuit Clerk's office will be open on Saturday from 8 a.m. until noon for persons qualifying to vote absentee in the run-off, according to Pamela Metzler, Circuit clerk.

Even with the large number of persons voting in Districts Three and Four, there were only 98 affidavit votes in the two races.

This is a very small number of affidavit votes compared to recent elections.

Veterans Day will be celebrated across America on Friday, a day when those who have served in the Armed Forces are remembered.

In Hancock County there will be two Veterans Day parades, one in Bay St. Louis and the other in Waveland.

The Bay parade hosted by the Clement R. Bontemps American Legion Post No. 139 will begin at 10 a.m. at Bay Junior High. Waveland's parade hosted by the Bourgeois-Stieffel-Ray American Legion Post No. 77 will begin also at 10 a.m. in the post's parking lot.

It is hoped there will be good participation at both Veterans Day parades.

## EYES ON MISSISSIPPI

By Bill Minor

### Dale attempts to reduce rates on credit life insurance

State Insurance Commissioner George Dale is gearing up his 1989 legislative program and one of his targets is an old nemesis: How to keep down the rates Mississippi consumers pay for credit life insurance.

Mississippians shell out more than \$50 million a year on credit life and disability insurance whenever they borrow money, or buy an automobile, major appliance or piece of furniture on credit.

Until two years ago, the Mississippi insurance commissioner did not have specific legal power to regulate credit insurance rates and commissions. For years the Legislature refused to pass regulatory legislation under heavy lobbying from people interested in the business.

But a 1986 law pushed by Dale finally gave the commissioner power to regulate the credit insurance business.

The law set the maximum rate that could be charged for credit insurance at 80 cents per \$100 credit and provided a 45 percent maximum commission for the seller.

Until then, the going rate on credit life or disability insurance was \$1 per \$100 and the commissions were running 50 percent. Mississippi then had one of the three highest credit insurance rates in the country.

Credit insurance is that little (sometimes not so little) cost item tucked away in a long finance agreement handed to you for your signature by the automobile dealer, bank loan officer or salesman when you are eager to get your hands on whatever it is you're buying.

"Just a year or so ago, they were telling the Legislature they would go broke if they had to pay more than 45 percent commissions," Dale declared. "I don't have the staff to go out and check every automobile dealer or furniture store owner."

Dale says he will oppose any legislation to make adjustments in the commissions "unless it is tied to a reduction in the consumer rate."

His present plan, he said, is to seek a reduction in the credit insurance rate from 80 cents per \$100 to 70 cents per \$100. A

something happens to you." It's just part of the package and you've got to have it, right? Wrong.

You cannot be legally required to take credit life or disability insurance as part of any credit transaction, even though it is commonly included by the lender, or salesman in the finance contract when it is drawn up for you to sign.

But as Commissioner Dale points out, "what poor guy knows the difference when he goes into Piedmont Loan Company (a fictional name) to borrow money that he is not required to have credit life insurance?"

What the average consumer also doesn't know is that the commission on credit life insurance goes to the bank, loan company or the business from which you make the purchase, or borrow money. The rest of the premium goes to the credit life insurance company.

Dale says that there is now a lot of flak coming from the credit life companies that some of their competitors are giving agents larger commissions than the 45 percent in order to use their company's insurance.

"Just a year or so ago, they were telling the Legislature they would go broke if they had to pay more than 45 percent commissions," Dale declared. "I don't have the staff to go out and check every automobile dealer or furniture store owner."

Dale says he will oppose any legislation to make adjustments in the commissions "unless it is tied to a reduction in the consumer rate."

His present plan, he said, is to seek a reduction in the credit insurance rate from 80 cents per \$100 to 70 cents per \$100. A

## Veterans Day to celebrate soldiers known and unknown

In 1921, an American soldier—his name "known but to God"—was buried on a Virginia hillside overlooking the Potomac River and the city of Washington. The Arlington National Cemetery burial site of this unknown World War I soldier became the personification of dignity and reverence for America's veterans.

Similar ceremonies occurred earlier in England and France, where an "unknown soldier" was buried in each nation's highest place of honor (in England, Westminster Abbey; in France, the Arc de Triomphe).

These memorial gestures all took place on Nov. 11, giving universal recognition to the celebrated ending of World War I hostilities at 11 a.m., Nov. 11, 1918 (the 11th hour of the 11th day of the 11th month). The day became known as "Armistice Day."

Armistice Day officially received its name in America in 1926 through a Congressional resolution. It became a national holiday 12 years later by similar Congressional action.

If the idealistic hope had been realized that World War I was "The War to end all wars," Nov. 11 might still be called Armistice Day. But shortly after the holiday was proclaimed, World War II broke out in Europe and shattered the dream. Sixteen and one-half million Americans took part. Four hundred and six thousand died. The families and friends of these dead longed for a way to honor their memory.

An answer to the dilemma of how to pay tribute to those who had served in this latest, great war came in a proposal made by Rep. Edwin K. Rees of Kansas:

**LETTERS POLICY**  
The Sea Coast Echo welcomes comments from its readers on subjects of general interest. Letters must be signed and include address or phone number so that the sender can be contacted by the newspaper if necessary. Letters should be brief, preferably typewritten and double spaced, and conform to standards of good taste. Letters of thanks and expressions of appreciation are considered inappropriate for the Letters to the Editor columns.

change Armistice Day to Veterans Day, and make it an occasion to honor those who have served America in all wars.

President Eisenhower, in 1954, signed the bill proclaiming Nov. 11 as Veterans Day, and he called for Americans everywhere to rededicate themselves to the cause of peace.

On May 30, 1958, two more unidentified American war dead were brought to Arlington Cemetery from overseas and interred in the plaza beside their Comrade of World War I. One was killed in World War II,

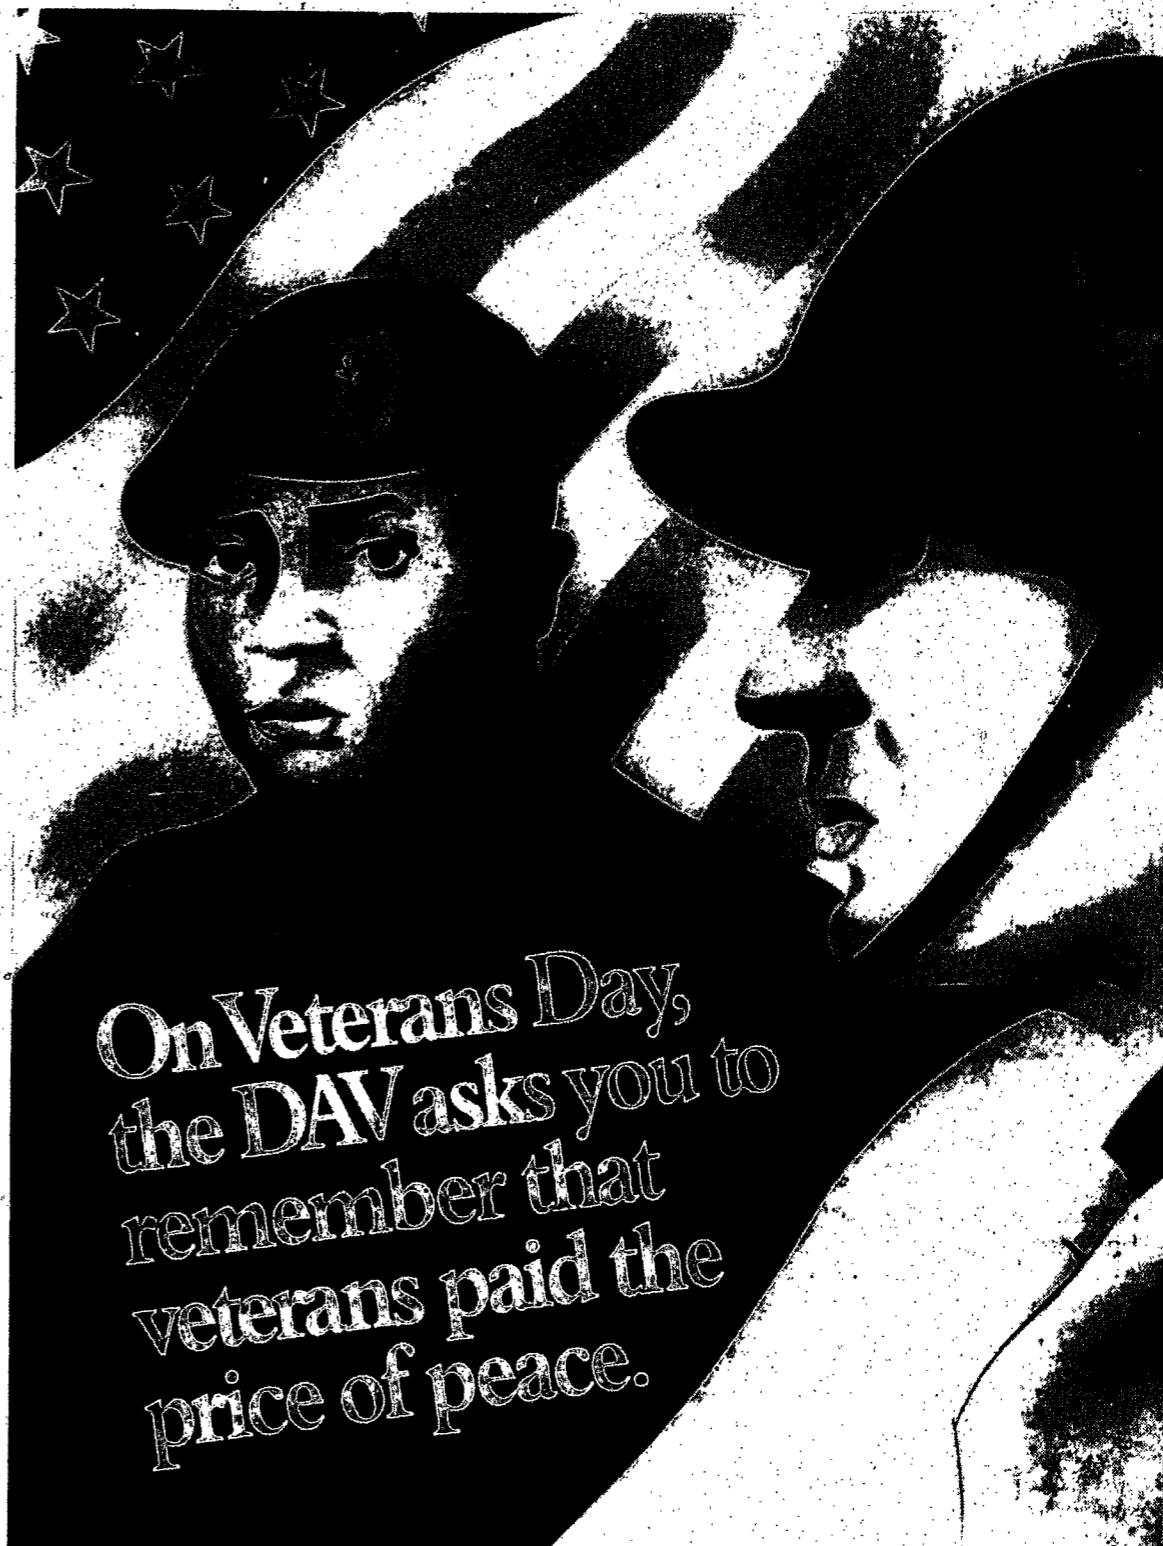

the other in Korea. A law passed in 1973 provided for the interment of an unknown American who lost his life in Southeast Asia during the Vietnam era.

For several years, no qualifying remains were discovered, so a memorial plaque was placed in the Amphitheater's Memorial Display Room. On Memorial Day 1984, however, the Unknown Serviceman from that conflict was placed "In Honored Glory" alongside his fellow countrymen.

To honor these men, symbolic of all Americans who gave their

lives in all wars, an Army honor guard, The 3rd United States Infantry (The Old Guard) keeps day and night vigil.

A law passed in 1968 changed the national commemoration of Veterans Day to the fourth Monday in October. It soon became apparent, however, that Nov. 11 was a matter of historic and patriotic significance to a great number of citizens. Congress, therefore, enacted legislation (Public Law 94-97) which returned the observance of this special day to its traditional date beginning in 1978.

On Veterans Day,  
the DAV asks you to  
remember that  
veterans paid the  
price of peace.

## Veterans Day 1988

Special to the Echo

by

H. F. "Sparky" Gierke

National Commander

The American Legion

Veterans Day, Nov. 11, is the one day each year America remembers her sons and daughters who served in the Armed Forces of the United States.

Today we do not remember war, but rather honor those men and women who served when the nation called. They altered their personal lives to maintain America's freedom.

When this nation was founded the concept of a "citizen soldier" was a bold step forward. Our early leaders believed for this young nation to be free and independent required every citizen to share in the defense of those ideals.

America is great because America is free. Our freedom was bought by the sacrifices and dedication of millions of Americans who put on a military uniform and served this nation with pride and distinction.

As the first Vietnam veteran to serve as National Commander of The American Legion, I believe this nation must not forget the contributions of her veterans. While I do not claim to speak for all veterans of America, I do speak for the nearly 3 million members of The American Legion. Legionnaires feel a deep sense of pride in their service which designates them as "veterans."

In this century alone millions of Americans earned the title of "veteran." These same veterans continue serving in cities and towns from coast to coast and border to border. They are little league coaches, PTA volunteers, hospital workers, and business leaders.

They write laws, serve to protect our homes and property, and come in all sizes, shapes, and ethnic backgrounds. They are men and women who toil daily to make the nation's business grow, teach our children and care for others.

Their military service has contributed to the betterment of community, state, and nation.

Today America enjoys relative peace. Still, thousands of her youngest citizens are on duty around the world risking their lives to maintain America's freedom and earning the distinction of being known as proud American veterans.

When they come home they too will join in pursuit of all that a free America offers her citizens. As veterans before them have done, they will do their part to make this nation better for future generations. America's veterans, from generation to generation, still serve our nation with pride after the uniform has long been gone.

It is right that a grateful nation set aside one day a year to recognize these men and women for all they have done, and for all they continue to do. America's veterans are proud of the difference they make for the nation. That is the special message of this Veterans Day.

**NEW VOTE COUNTER**—The majority of Hancock County's votes were tabulated on a new faster automatic counter for Tuesday's elections. Hancock County Circuit Clerk Pamela Metzler, right, and Chief Deputy Karen Ruhr, left, watch a technician operate the counter. Metzler reported there was a problem initially with the new counters believed to have been caused by power surges because of the Courthouse's air conditioning system. With the old system each voting card had to be fed into a counter individually by hand. (Echo staff photo by Ellis Cuevas)

## ON PATROL

## COCAINE ARREST

Three Slidell, La., men have been arrested on charges of possession of a controlled substance.

The three include Alonzo Stokes Jr., 25, Lionel Casnave Jr., 24, and Arthur Herrington, 30, Hancock County Sheriff's Department Investigator Nathan Hoda said.

He said the three men were originally arrested Monday night because Waveland Police Department had an outstanding warrant on one of them.

Hoda said they were being pursued by both Waveland Police Department and Hancock County Sheriff's Department personnel when they were stopped at Highways 607 and 90.

He added that all three were intoxicated at the time of arrest and their vehicle was impounded.

According to Hoda, the contents of the car the three men had been riding in were being inventoried when four plastic bags containing a white powder were found. Two of the bags tested positive for cocaine while the other two were found to contain baking soda.

The exact amount of the drug has not yet been determined, but the cocaine was seized by the sheriff's department.

The investigation is continuing while authorities determined whether other items found in the car might have been stolen.

Justice Court Judge Lee Klein set bond Tuesday for Stokes, Casnave and Herrington at \$5,000 each.

Assisting Hoda in the arrests and investigation were Deputy Bill Pepperman and Waveland Police Officers Brett Ladner and David Stepro.

## CAPITAL CHARGE

A man jailed in Gulfport on other charges has been charged with capital murder in the Oct. 21 death of a Pass Christian woman.

Pass Christian Police Department investigator Tom Pustay stated that John Richard Pruitt, 35, of Rafferty Street, Pass Christian, had been charged in the bludgeoning death of 53-year-old Joan Esterling, who was found dead at her home by a neighbor on Oct. 22.

Autopsy reported showed that the woman, a widow who lived alone at 251 Woodman Ave., Pass Christian, had sustained 10 blows to the head and had died some time the day before she was found.

Pustay said Pruitt had been jailed since Sunday on a charge of possession of a firearm after a felony conviction and that the capital murder charge was made against him after Pass Christian Police Captain Tom Ruspoli interviewed the suspect at the Gulfport jail.

## PASS MAN KILLED

A one-vehicle accident on Cable Bridge Road in Harrison County has killed a Pass Christian man.

Earvin J. Saucier Jr., 46, of 25305 Elmer Ladner Road, was pronounced dead at the scene by Harrison County Coroner Ed Little Sunday night after the 11 p.m. wreck.

According to a report from the Harrison County Sheriff's Department, Saucier, alone in his 1979 Chevrolet van, was driving southwest on Cable Bridge Road when the van went off the road on the north side, recrossed the roadway and rolled over several times.

Little said Saucier had been thrown from the vehicle.

The coroner also stated that alcohol had been involved in the accident.

## SENIOR CITIZENS HAPPENINGS

By Eve McDonald

### POLITICS

Well, the national election is over! Let's hope the best person wins and get on with our lives (and TV shows). We must remember that we still have a few local matters to settle at the ballot box. Don't forget to vote again when the time comes.

The reason our system of government is so good is that we get a chance every two or four or six years to change leadership if we aren't satisfied. In the meantime, let's work with those in office to make things a better place for us, our kids, grandkids and all to live in and enjoy.

### RAFFLES

We have been fortunate enough to receive a quilt and afghan to raffle, with the proceeds coming to the center and half of the proceeds for the quilt to RSVF. We will work together to get things for our new offices which the city is working on now and other needs we have at the center. Please support those who are helping in this endeavor.

### SOCIAL CLUB

The next planned trip is to Mobile to the dog races. This will be Monday, Nov. 28 and will cost \$22.

In the works is a cruise out of New Orleans for seven days and will be in January sometime and the cost is \$575.

What about London and Paris at the end of May? An eight-day trip is being planned for approximately \$800. If you are interested contact Tee Oliver

for details. My husband and I are planning to take our two granddaughters on this trip. Why don't some of you join us with grandchildren? The price is really right!

It's just about "take around the clock" in my house. I like rice pilaf or rice with the flavor of Chinese cooking, with cane syrup or powdered sugar and hot pepper sauce for breakfast. And if the cold is chased with pepper sauce and whatever I find in the refrigerator for a late dinner.

A seasoned rice dish is a good accompaniment to an entree of broiled chicken or sauteed chicken or pork chops and such as this:

And in between, there's red beans and rice, and rice and gravy, and rice and this and that and on and on through the long, long list of delicious rice dishes.

Rice is also a fine budget helper for the would-be gourmet on a shoestring, or anyone else for that matter, as relatively small amounts of seafood, meat, chicken, etc., when combined with rice, make a fine feast. And cold cooked rice makes a tasty salad, well seasoned and combined with green onions and celery, along with seafood or chicken, in either an oil and vinegar or a mayonnaise-based dressing.

## MANDARIN RICE

2 (11 oz.) cans Mandarin oranges, reserving syrup  
2 cups raw rice  
1 cup butter or margarine  
1 finely-chopped onion  
12 whole cloves  
Small piece of stick cinnamon  
1/2 cup blanched almonds  
Tsp. salt, dash of pepper

Saute the onion in a half cup of the butter, add the rice and cook for five minutes or so, then set aside. Add the syrup from the oranges to sufficient boiling water to make four cups, pour over the rice and onions, and add the cinnamon and cloves, and salt if desired.

Cover, and simmer a half hour or a little longer as needed, until the liquid is absorbed, then remove the cloves and cinnamon. Add the pepper. (I add generous dashes of pepper.) Brown the almonds in the remaining butter, add the mandarin segments and almonds to the rice, also a half cup of raisins, if you wish. Toss all together gently, and serve with the chicken or pork. (Six or more servings.)

## Time-saving menu makes for easy holiday

As the holiday season approaches, our list of things to do seems unending. Despite the rush of the season, entertaining can still be a pleasure with the choice of a time-saving menu.

Begin by choosing a main-dish recipe developed with time in mind. Rib Eye Steaks with Horseradish Topped Tomatoes takes less than 20 minutes to prepare from start to finish.

Steak is a good selection when schedules are tight as it is one of the easiest and most impressive entrees you can prepare. Rib eye steaks are a juicy and flavorful steak cut from the center muscle of the rib.

For easy and flavorful results, cook rib eye steaks under the broiler. This cooking method also keeps calories to a minimum since the steak remains above the drippings. Remember to always season steaks after browning. Never add salt before cooking as it will draw out moisture and inhibit browning.

While the steaks are cooking, prepare the Horseradish Topped tomatoes. These toma-

toes with a triflled topping will add a festive flair to your holiday meal. Arrange the sizzling steaks and tomatoes on a handsome platter, garnished with parsley sprigs or green onion

curls.

Serve Rib Eye Steaks with Horseradish Topped Tomatoes with wild rice and a favorite steamed vegetable such as broccoli or Brussels sprouts. Stop at the local bakery or choose something from the frozen food case for dessert. This convenient timesaving menu is certain to make entertaining during the holiday season a pleasure.

RIB EYE STEAKS  
WITH  
HORSERADISH TOPPED  
TOMATOES

Preparation time: 10 minutes  
Cooking Time: 7 to 9 minutes  
6 beef rib eye steaks, cut 3/4 inch thick (approximately 7 ounces each)

1/2 teaspoon salt  
1/4 teaspoon pepper  
1/4 cup reduced-calorie mayonnaise  
2 tablespoons chopped green onion, divided  
2 teaspoon prepared grated

Meanwhile combine mayonnaise, 1 tablespoon green onion and horseradish. Fold in beaten egg white. Place 2 tablespoons egg white. Place 2 tablespoons horseradish mixture over each tomato half; broil with steaks during last 3 minutes or until brown. Garnish with remaining green onion. Serve steaks with Horseradish Topped Tomatoes. 6 servings.

## LOW BACK PAIN

If back pains are a way of life for you, the reasons can be varied and complex. Some may be pathological, but very often the cause is muscle which are either over or under-exercised which are producing spinal distortion. Vertebrae slip into abnormal positions, resulting in "pinched" and irritated nerves, which cause pain and even loss of function of the affected body part. Poor posture, or even emotional tension, can be the root cause.

Kenny Rogers  
headlines Jitney's  
Jackson food fest

The stage is set at the Mississippi Fairgrounds in Jackson for a weekend show offering a special appearance by celebrated singer and actor Kenny Rogers as well as exciting entertainment for every member of the family at Jitney-Jungle's annual Food Festival, scheduled for Saturday, Nov. 12 to Sunday, Nov. 13.

Jitney's fourth annual festival will also feature over 200 exhibition booths set up by national and local food and product companies, which will offer samples of food items and products, free coupons worth over \$300,000, and numerous recipes for holiday cooking.

In addition, Jitney-Jungle will give away door prizes and offer gift bags and food samples from their own booths during the weekend.

Along with the exhibition area, festival-goers can enjoy an exciting assortment of entertainers and celebrities. Headlining the show will be Kenny Rogers, who will appear onstage Saturday to answer questions from the crowd and participate in a photo session with special contest winners.

Onstage entertainment will be provided by Gretchen Carlson, Miss America 1989; and Carla Haag, Miss Mississippi 1988. Other title-holders who will be present to meet the crowd and sign autographs include Pamela Nail, Miss World 1988; Laura Durrett, Miss Mississippi U.S.A. 1989; and Valerie Bea Penny, Miss Mississippi 1989. Television personalities who will make special appearances and sign autographs include Jayne Kennedy-Owen, who has acted in several movies and worked as a network sports commentator; John Taylor, star of the NBC-TV show "The Hogan Family"; and soap opera star John McCloskey of "All My Children"; Kyle Brown, of "Another World"; Cheri Mayer of "Santa Barbara"; and Romy Leister and Barbara Crampton of "The Young and the Restless."

For the sports enthusiasts, a wide selection of games and performances on the basketball court, the track, and golf course, as well as tennis, basketball, and football, will be available.

WFL pro football standout Ben Davidson.

Other attractions during the weekend will be musical entertainment from regional and local groups, the appearance of "Spiderman," and unusual displays including the Copenhagen-Skoal Crusher, World Champion Top Fuel Dragster and the World's Quietest Funny Car.

Festival hours are 10 a.m.-8 p.m. on Saturday. Sunday hours are noon to 5 p.m. Tickets are \$2.50 at the door; children under 12 are admitted free.

## Christmas decorations

The multi-county holiday decorations program will be held Monday, Nov. 14, 10 a.m. until 6:30 p.m. in the Crew Room of Coast Electric at the corner of Hwy. 90 and Main Street, Bay St. Louis.

As usual Carleen Cole, Jackson County; Nancy Freeman, Harrison County; and I will have some great holiday ideas to share with you. Directions and patterns will be available for those in attendance.

The open house will allow you to browse at your leisure and really examine those decorations you find most interesting. Refreshments will be served by the Extension Homemakers Council.

Christmas trees decorated in various themes will be on dis-

play also. Drop by for a spell. It might just be the inspiration you need to start your projects early.

## 'Tops In Blue' coming to Biloxi

The Air Force's top entertainment group, 'Tops In Blue,' is coming to Biloxi.

Sponsored by Keesler's morale, welfare and recreation division, the group will demon-

strate its multiple talents in a one and one-half hour musical extravaganza starting at 7:30 p.m., Dec. 1 in the Mississippi Coast Convention Center.

Tickets are not needed, it will

be a first-come first-served basis on seating. The Convention Center can seat 3,500.

Tops In Blue is the Air Force's own internationally-acclaimed all military touring show. Each year following an extensive worldwide talent contest throughout the Air Force, Tops In Blue is formed. At the end of this extensive process, the best Tops In Blue candidates are chosen. They then begin another month-long rigorous rehearsal process to develop and polish the 90-minute show.

Tops In Blue began operating in 1953 and has performed to audiences all over the world.

Election..... Continued from Page 1A

Trent Lott will move from the U.S. House of Representatives to the U.S. Senate to succeed John Stennis. Lott received 7,987 votes from Hancock County while his opponent, Wayne Dowdy, received 3,949.

Michael Dukakis-Lloyd Benten ticket in second place with 3,715.

The affidavit ballots will be reviewed by the Hancock County Circuit Clerk's Office and certification of the official totals is expected tonight. No changes in the run-offs are expected because there were only 52 affidavit ballots in the Beat Four supervisors race and only 46 of them in the Beat Three race.

## Veterans' needs examined

There are 2.8 million veterans in the United States. Millions of active military personnel will someday be veterans. They need specific information about benefits, finding jobs and helping other veterans. Not the kinds of things likely to be found on the front page of the morning paper, or as the lead story of the evening news.

"For Veterans Only" is a new series premiering at 10 p.m. Thursday, Nov. 10 on Mississippi ETV. It examines the issues and reports "the facts" about homeless vets, VA health care, aging vets, Agent Orange, employment, judicial review of claims and other matters that are important to American veterans.

This weekly television news magazine provides timely, topical and sometimes even timely

information as a "front room" world of veterans.

The Nov. 10 edition examines recent congressional activity on veterans' benefits at St. Louis and St. Louis, the only national

## RELIGION

Mississippi Baptists  
to convene in Jackson

The Mississippi Baptist Convention will meet Nov. 14-16 at First Baptist Church in Jackson for its annual business session.

At the top of the list of business matters likely to come before the delegates from up to 200 churches will be a discussion of Clarke College and its fate.

Mississippi College President Lewis Noller has told the Mississippi Baptist Convention Board and the Education Commission that his trustees will ask the convention for additional albridge to operate Clarke, a two-year institution in Newton.

MC operates with a surplus but keeps separate books on Clarke which operates at a loss.

MC wants a total of \$200,000 added to its budget for Clarke operation. The convention board is recommending only an additional \$55,000 as a line item for Clarke. MC received that line item amount for Clarke last year.

The upshot is that if MC does not receive the extra money, it will return the college to the convention.

What this means is that on Tuesday morning, Nov. 15, at budget adoption time (10:35 a.m.) the floor will be open for full discussion of the fate of Clarke, which has operated at a loss for 19 of the past 20 years.

Other business will include election of officers. President Jim Futral, pastor of Broadmoor Church, Jackson, is eligible for a second one-year term. Futral's presidential address will take place Tuesday morning following the business session.

Other speakers include Bobby Perry, Earl Kelly, D. L. Lowrie, Davis Saunders, Jim Henry, and Landrum Leavell. Perry, director of missions for the Gulf Coast Baptist Association, will deliver the convention sermon. Kelly, executive director-treasurer of the MBCB, will deliver the mis-

sion's report. Lowrie, executive director of the Tennessee Baptist Convention, will present the Bible Treasure messages, a series of short devotionals given during each of the five convention sessions.

Saunders, a staffer with the Foreign Mission Board; Henry, pastor of First Baptist Church, Orlando, Fla.; and Leavell, president of the New Orleans Seminary, will all preach sermons during the convention.

Theme of the Mississippi Baptist Convention will be "To Him Who is Able" taken from the Book of Jude, verse 24.

Mormon course of study  
to be broadcast Nov. 13

A post-broadcast titled "The Heavens are Opened" and addressed by general authorities of the Church of Jesus Christ of Latter-Day Saints (Mormons) will be broadcast this Sunday evening, Nov. 13 at 7 p.m.

The program will originate from Salt Lake City and will be broadcast via satellite transmission to congregations of the church throughout Mississippi.

Bay St. Louis and Waveland members of the church will join millions of other members throughout the world for this broadcast. The broadcast will introduce the 1989 course of study for all adult Sunday School classes throughout the church.

This year's course of study is the doctrine and Covenants—a book containing modern-day revelations given to Joseph Smith and other presidents of

the church. It is one of the four books considered as scripture by the church. The other three books are the Holy Bible, The Book of Mormon (Another Testa-

ment of Jesus Christ) and the Pearl of Great Price.

Locally the broadcast may be seen at the Waveland Chapel, McLaurin and Nicholson.

## Trinity Marine Group to relocate in Bernard Bayou Industrial District

The Trinity Marine Group is re-locating their corporate headquarters to Gulfport from New Orleans, according to Michael Olivier, executive director of the Harrison County Development Commission. The phased move will begin in late November.

"We are pleased to announce a new corporate addition to our Mississippi Gulf Coast business community," said Olivier.

The 85-employee headquarters will locate in the property formerly occupied by the McDermott Shipbuilding Corporation in the Bernard Bayou Industrial District.

A sizeable payroll will contribute to the economic base of Harrison County as Trinity Marine headquarters' staff includes naval architects, engineers, cost estimators, drafting and purchasing personnel, computer technicians and clerical workers.

Trinity Marine employs 1,250 persons in five shipbuilding companies that operate two shipyards in Mississippi and five in Louisiana.

John Dane III, president of Trinity Marine Group, said the

move would provide their headquarters a strategic location in a cost-competitive business environment in relation to their five operations along the Mississippi-Louisiana Gulf Coast.

Dane said the decision was made because 65 percent to 75 percent of the company's shipbuilding activities are now centered in Mississippi and they could consolidate management and control costs.

Existing contracts such as U.S. Navy T-AGOS and AGOR ships which are being built in Mississippi exceed \$100 million. Expected military contracts will raise that total significantly. "Military construction requires close coordination between our engineering and support departments," said Dane.

He added that consideration was given to erection of an office building on company property in New Orleans, but "we were unable to come close to the economies the existing Gulfport facility offered."

Of primary concern to Trinity Marine were the highworkman's compensation costs and

sales taxes on vessels in Louisiana.

"There are no sales taxes on vessels we build in Mississippi," said Dane, "these taxes can often be the difference between profit and loss on a project."

"Our ability to attract Trinity Marine was enhanced by the support of our Board of Supervisors' commitment to offer tax incentives necessary to compete," added Olivier.

Trinity Marine currently occupies 18,000 square feet at 6600 Plaza Drive near the Plaza in Lake Forest Shopping Center in East New Orleans. The new facility in Mississippi, which formerly housed the McDermott Corporation's shipbuilding headquarters, will soon provide 24,000 square feet of office space.

"It is important to note that a dormant facility will now be utilized in the Bernard Bayou Industrial District bringing new vitality to our area," stated Larry Patterson, president of the Harrison County Development Commission.

The Harrison County Development Commission has recently announced over \$3 million

of new capital investments in the Bernard Bayou Industrial District, expected to create 120 new permanent jobs. Additionally, the new mini-park, Intraplex 10, is undergoing a \$12 million Phase II expansion in anticipation of Kraft/ITD opening a 100,000 square foot distribution facility in 1989. The Trinity Marine Group is owned by Trinity Industries Inc., Dallas, Texas. The group includes Hälter Marine Inc. shipyards in Moss Point, Miss. and Lockport, La.; Moss Point Marine Inc. in Escatawpa, Miss. Equitable Shipyards Inc. with facilities in New Orleans and Madisonville, La.; Gretna Machine and Iron Works Inc. in Harvey, La. and Aluminum Boats Inc., Crown Point, La., a frequent Trinity subcontractor, which was acquired earlier this month.

## K mart seeks donations for Thanksgiving baskets

On Nov. 21 K mart in Waveland will donate food baskets to local needy families so they will have a complete Thanksgiving dinner. These food baskets cost approximately \$25 and consist of a turkey, potatoes, vegetables, bread, stuffing mix and a pumpkin pie.

The names of the local needy families will be obtained from

various local organizations such as the Chamber of Commerce, Knights of Columbus and the public aid office.

"We are prepared to furnish a total of 20 food baskets, however, with community involvement we could help many more.

We are asking all local businesses, merchants and organizations to become involved. Let's

all work together to see that not one family in our community goes without a Thanksgiving dinner this year," said P. A. McElveen, store manager.

To participate in this program, contact the "Good News Committee" at 467-2113.

Collection containers will be placed in front of store near customer service.

## Library celebrates Children's Book Week, Nov 14-20

Children throughout Hancock County are invited to visit the Bay St. Louis and Waveland branches of the Hancock County Library System during the week of Nov. 14-10, which has been designated as National Children's Book Week.

Sponsored by the Children's Book Council since 1945, National Children's Book Week is set aside each year to promote reading among children and to encourage the enjoyment of children's books. This year marks the 69th anniversary of National Children's Book Week.

During the week, children visiting the library will receive free bookmarks, and will have the opportunity to see exhibits and displays of a variety of award-winning children's books.

"Owl Moon," by Jane Yolen, and "Arrow to the Sun," by Gerald McDermott, recipients of the Caldecott Award given nationally for outstanding children's picture books, will be featured at the regular Story Hours, held at 10:30 a.m. each Wednesday in Bay St. Louis and each Friday in Waveland.

More information on National Children's Book Week may be obtained by contacting the Han-

cock County-Bay St. Louis Library at 467-5282; the Waveland Library at 467-9240; or the Kiln Library at 255-1724.

### Tiger experience to highlight basketball season

By Kanta Haynes  
Bay High  
Correspondent

The 1988-89 Bay High basketball season begins on Tuesday, Nov. 15 at the Tiger Dome. The Tigers are hosting the d'Iberville Warriors with the junior varsity boys contest at 5 p.m., varsity girls at 6:30 p.m., and the varsity boys tip off at 8 p.m.

The Bay High Tigers are looking forward to improving last year's record. Coach Michael Ladner, in his second year at Bay High, is optimistic. "I am looking forward to our basketball season," he stated.

The boys will be playing over 30 games against tough opponents. Throughout the season the Tigers will be fighting to overcome experienced teams such as Vancleave, a team coming off a state tournament appearance from last year, and defending 5-A state champions, Gulfport High.

"It will be a challenge, but we are playing to win championships, and to be the best we must play the best," commented

Ladner. This year's squad is lead by 6'5; senior Freddie Necaise, who will provide strong rebounding with an outside shooting in coordination with 6'3" junior Cedric Walker. The Tigers will depend on Walker for a strong inside game.

Along with Freddie Necaise and Walker, much of the Tigers' success will depend upon the play of 5'10" junior Micah Necaise. Necaise will be used in a dual role to help with the inside game, while assuming the responsibility of running the ball club from the guard position.

Also supporting the inside game will be 6'3" senior Jason Mayfield and 5'11" junior Bruce Jones. The guard responsibilities will be shared by senior Mike Kennedy, junior Will Seymour and sophomore Mike Sharp.

Junior Tommy Bergeron and sophomores Dana Weems, James Mayfield and Calvin Thigpen will also play an important part in the Bay squad.

Although the Tigers are opening on the 15th, the Lady

Tigers are already participating in the Vancleave Round Robin Girls Tournament. The Lady Tigers played their third game Saturday, Nov. 6 against Mercy Cross.

The Bay High Lady Tigers return this year with renewed enthusiasm, led by three seniors, guard Dedra McGowan, forward Debra Deloach and center Tunisia McKay.

Returning from last year are junior Stacey Sheppard and sophomores Patrice Avery, Latisha Davis, Vida Laneaux and Kecia Walker.

New to the Lady Tigers' squad are junior Kinta Ladner and senior Lakesia Bell, along with several freshmen contributing to the Lady Tiger effort.

The Tigers and Lady Tigers have spent many hours in the gym since last season, including playing in six different Southern Amateur Athletic Union (SAAU) basketball tournaments this summer in preparation for the upcoming season.

Both teams encourage basketball fans to attend their home games.

### Five named to State Soccer Olympic Development Team

Statewide trials were held by the Mississippi Youth Soccer Association for soccer players in various age groups for selection to the State Olympic Development Team.

Candidates came from all parts of the state to showcase their talents in hopes of landing a slot on one of the teams. A total of 140 players were evaluated with only 88 players ultimately being named.

The Mississippi Youth Soccer Association Olympic Development Administrator for Boys, Stan Stuart, has released the following players from the Bay-Waveland area: Beau Schindler, 13 1/2 pool; Richard Watson, 14 1/2 pool; Jason Loiacano and Jonathan Compreita, 15 1/2 pool; and Brian Brooks,

17 1/2 pool. Loiacano and Compreita play for Bartow, while Watson plays for Hattiesburg.

These players along with others from around the state will be

selected to represent Region III. They will be involved in intense training and competitive games for selection to the Region III team.

The Olympic Development Team will be selected through a process to identify players for the purpose of representing the United States of America in various international competitions. These would include the Olympic Youth World Cup for Under-16 and Under-20, and the World Cup itself.

The players named from Bay-Waveland are recommended for being selected as part of a very important process. They are considered to be some of the best in Mississippi.

### Hawks to face South Jones Braves in first-round play-off Friday

BY DENA BISNETTE

The Hancock North Central Hawks will play their first play-off game in the history of the school Friday night as they travel to Ellisville to face the South Jones Braves of Division VI.

According to Hawk Head Coach Irvin Favre, the season records are the same for the two schools, but the 9-1 Braves' only loss occurred early in the season against a perennial Division VI powerhouse, Magee. Hancock, on the other hand, comes into the game after a loss to the Hawks' last regular season opponent, d'Iberville.

Favre said he has been watching South Jones game films and has found that his team will have to put up a good, solid defense to win Friday.

"Offensively, South Jones runs out of the Wing-T. We're quite familiar with that, and how to defend against it," the coach said.

"The only exception to what you usually see with the Wing-T is that they have no much speed out of it. They have a good throwing quarterback, but he's not the only one who's fast; all their backs and their receivers are fast. I have never seen any other team this year with the overall speed they have."

"This will take a real good effort on our part. They control the game real well with their speed, both running and throwing, so there's nothing that we can load up on defense. We'll have to have a well-balanced defense because we don't know which way they're going to go."

After a poor showing last week with a total gain of only 109 yards, Favre said his team would like to control the ball offensively despite expectations of a mostly defensive game for the Hawks.

He talked a little about what he has learned about the South Jones defense, explaining that speed is expected to present problems there too.

"Defensively or offensively, they are real quick getting to the football. We will have to block these people, because if we let any one of them get loose, they're going to get the tackle," Favre explained.

The Hawks will not be able to key their blocking to particular players as they have been able to do in some games.

"It's not just anybody in particular. One of the things that has taken them so far is that they play well as a unit, whether it's offensively or defensively," he said.

"The Braves have been doing what we call blowing people out, which is beating their opponents by at least three touchdowns."

"We know what we've got to do and it's going to take a big effort. We have to go up there with the confidence it takes to win this ballgame."

"They have no more in number than we do, no bigger depth, they just have so much speed. It's really unbelievable to see a football team that has as much speed as they have," Favre added.

"Win or lose, I've been proud of these kids all year. Nobody expected us to be where we are, to win nine ballgames. We have accomplished a lot of things, including our major goal which was to get in the play-offs."

"South Jones has been in there before, but this is our first time."

Favre said he hopes his players won't get caught up in the excitement of being in the play-offs and will concentrate on the football game itself. He said he is not worried about the logistic d'Iberville causing problems because "we know our boys have a much better mental attitude than they did last year."

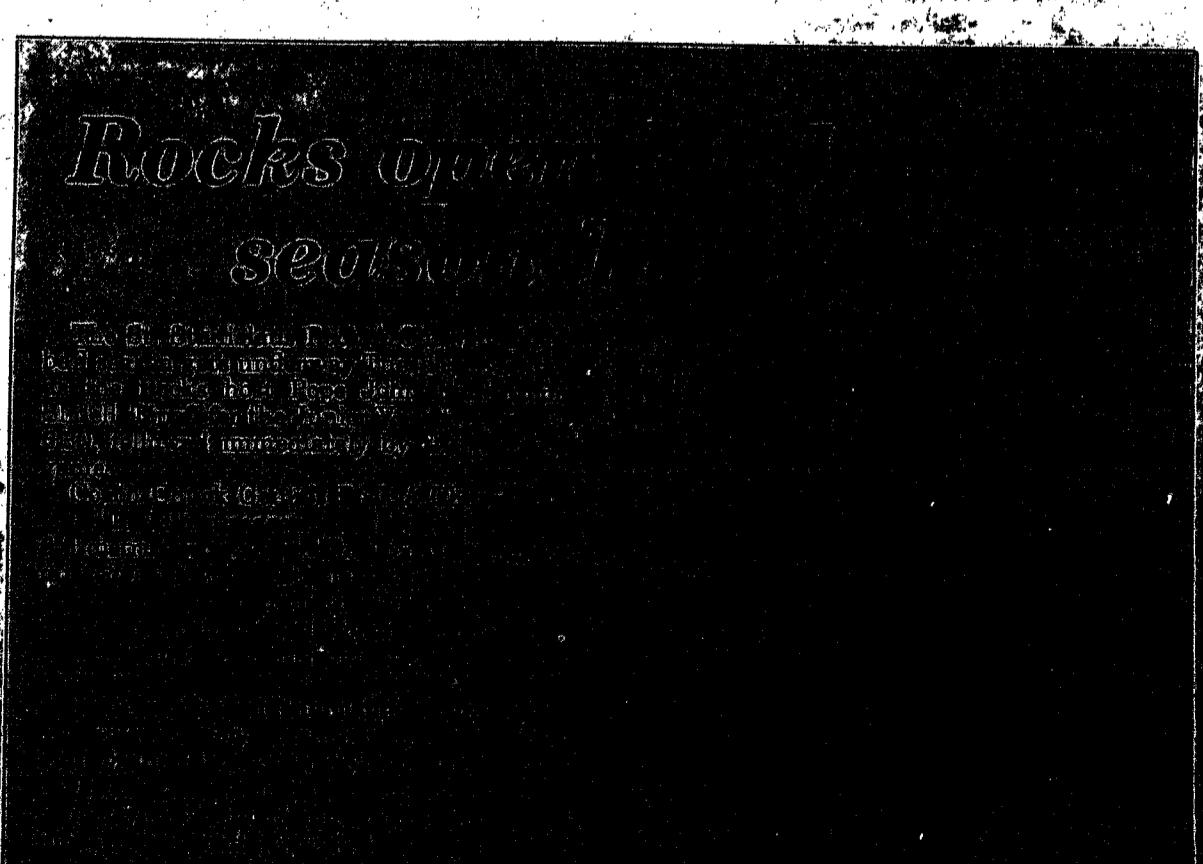

If the Hawks win this week, they will face the winner of

another play-off game between South Pike High School and one of South Jones' nearby rivals, Watkins High School of Laurel, in a second-round play-off game

next week.

Tickets to the game at South Jones are being pre-sold at Hancock North Central for \$2 per student, with all gate tick-

ets being sold out. Favre said that as many Hancock North Central fans as possible come up to Ellisville to support the Hawks.

# Bay Area Youth Soccer approaches season finish, tournament play

Bay Area Youth Soccer has been started the fall season and is now in its second month. The team is preparing for inter-league competition. The weather has been excellent for soccer and exciting action continues to be demonstrated on the soccer fields.

Under-12: Coach Bonnie Lafontaine's Hurricane team

son, Leo Laurent and Michael Sanders moved the ball well throughout the game. Burger King will finish its fall season next week against a game against McDonald's Realty.

Under-10: Coach Flowers' Under-10 play. Coach Flowers' Rotary Falcons won the fall season with three wins and the same undefeated team record of 3-0-1.

Under-8: Coach Flowers congratulated all of the team players for the fine progress they have made this season and to Coach Foster's Bay Rats for finishing with one tie and two losses.

Under-12: Coach Flowers' Under-12 team finished the fall season with three wins and one tie. Coach Flowers' Under-12 team record of 3-0-1.

has won the fall season with three wins and one tie. Coach Jody Geeks' McDonald's Realty team remains in second place and Coach Leo Laurent's Burger King Whoppers team is in third place.

The Hurricane team defeated the Burger King Whoppers 6-0 in Saturday's game. Coach Laurent stated even though they lost the game, the team made some fine defensive plays. Half-backs Todd White, Jerry Peoples, Vince Smith and John Guy did well throughout the game.

Halfbacks Richard Donaghue, Jeremy Moore, John Rhodes and Sean Wheeler made several good saves. Goalkeeper Tommy Marsh made some good saves. The offense with Joshua Wil-

Coach Craig Foster's Bay Rats are in second place, also with three wins and one tie. Coach Foster's team won their final pre-season game 4-1 to finish the schedule with a record of 3-0-1.

Coach Foster congratulates the team for passing and teamwork exhibited in the game. Brantley Ladnier scored two goals, with Jeffrey Cicerchi and Kile Foster scoring one goal each. Chris Gibson and Justin Wadsworth were cited for excellent defense.

Coach Flowers' Rotary Falcons defeated Coach Peoples' Bad Blues by a score of 3-2 in a well-played offensive game by both teams. Paul Camp scored two goals for the Falcons, and David Flowers scored the final

In Under-8 play, Coach Steve Carver's Sweepers finished the fall season in first place with four wins and no losses.

Coach Christine Rosa's Raiders finished in second place with three wins, one loss and one tie.

Coach Timmy Kingston's Chargers are in third place with two wins and two losses.

Coach Lewis Smith's Wildcats team defeated Coach Mike Carron's Tornados team in an exciting soccer match in last Saturday's game. The Under-8 teams will play in a post-season mini-tournament beginning Nov. 19, as will the Under-10 and Under-12 age groups.

Congratulations to Coach LaFontaine's Under-12 Hurricanes team, coach Flowers'

## Soccer..... FROM PAGE 1B

Funding for the Mississippi Olympic Development effort is currently provided by the Mississippi Youth Soccer Association, the players and parents, and occasionally from private business. To successfully accomplish the objectives of the program a tremendous amount of funds are needed for both the boys and girls program. Currently, financial help is being solicited from the private sector to help with the 1988/89 program. Any inquiries as to how one may help should be directed to Stan Stuart at 601-969-2420 or P.O. Box 1640, Jackson, MS 39205.

## LOCAL BRIEF

### LUPUS FOUNDATION

More than half-a-million Americans suffer from the debilitating disease known as Lupus. Victims of the disease from the Coast currently must travel to Jackson to attend support group meetings sponsored by The Lupus Foundation of America.

Anyone interested in forming a local chapter of the foundation

should contact Mary Curry, P.O. 102, Pearlington, MS 39572, or at 601-533-7777.

Under-10 Falcons team, coach Foster's Under-10 Bay Rats team, and Coach Carver's Under-8 Sweepers team, all of whom were undefeated in the fall season. Good luck to the Hurricanes, Whoppers, Falcons and the Jaguars in the Pearl (Jackson) Tournament to be held this weekend.

## Hunters: Deer season opens, dove season closes

The hunting season is in full swing and Mississippi is. And just around the corner comes one of the most awaited of all the seasons. Deer hunting with the aid of dogs gets underway this upcoming Saturday, Nov. 19. This 13-day season will last through Dec. 1.

As most hunters already know, the bag limit on deer during this season is one buck with antlers visible above the natural hairline per day, not to exceed five during the license year.

The most recent figures from the Department of Wildlife Conservation in Jackson indicate that last year over 195,000 hunters took nearly 210,000 deer during all of the gun seasons on deer. They spent over 2.7 million man-days hunting. That's enjoying your sport.

Conservation enforcement officials in Jackson are reminding shooters that all deer hunters must wear in full view a minimum of 500 square inches of unbroken continuous daylight fluorescent hunter orange.

material during all deer seasons except the archery season.

A deer camp permit must be obtained from the DWC before beginning operation. Of course, landowner's permission is required to hunt, fish, or trap on the lands of another.

Shooting hours during deer season are one-half hour before sunrise until one-half hour

after sunset.

Meanwhile, another reminder to wing shooters. The second dove season closes this coming Saturday, Nov. 12. And snipe hunting gets underway on Nov. 14 and extends through Feb. 28.

Don't forget. It is illegal to hunt all migratory birds after sunset.

## Eagles' streak ends at seven

The University of Southern Mississippi Golden Eagles winning streak came to an end Saturday, as ninth-ranked Auburn cruised to a 38-8 route.

After seven straight wins, USM, now 8-2, ran into a ferocious Tiger defense that allowed the Eagles just 218 total yards, only six yards rushing.

The six yards rushing ranks as the third lowest yards rushing in USM history for a game. In 1973, the Eagles rushed for two yards on 39 attempts against Ole Miss, and in 1964, USM rushed for five yard on 33 attempts against Florida State.

Auburn, who ran their record to 8-1, put the game away in the first half going ahead 31-0. The Tiger defense kept the Eagles' running game in check while Brett Favre managed to complete 25 passes in 43 attempts for 212 yards and one TD. In the process, Favre continued to pad his TD passes to 10, his total to 31.

Auburn entered the game with a three-game shutout streak and blanked the Eagles until the 1:47 mark of the fourth quarter. A 22-yard touchdown pass from Favre to wingback Eddie Ray Jackson accounted for USM's only score. Favre ended the day's scoring with a two-point conversion pass to Preston Hansford.

Favre continued to spread the offense around, again eight different receivers caught at least one pass. Freshman Scott Bryant punted 11 times for 387 yards, two shy of the record. His longest punt of the day was 53 yards. This was the first game of the season where senior Chris Seroka did not attempt a field goal or PAT.

Already with 2,112 yards this season, Favre continues to add numbers in the record books with the best single season passing yardage total. He set a new single season record for most TD passes (16) and tied a single record for most comple-

tions in a game with 25. Shelton Gandy continues to lead in rushing with 656 yards on 169 carries (3.9 average) and seven TD's.

The Golden Eagles close out regular season play next Saturday at Louisiana Tech before making preparations for the Dec. 23 Independence Bowl.

### ON ETV

#### PREVENTING DROP-OUTS

Keeping kids in school is the subject of the next 'Education: The Way Up' at 2:30 p.m., Sunday, Nov. 13 on Mississippi ETV.

Joining host Melanie Christopher to discuss ways teachers and administrators can intervene to prevent students from dropping out of school are Dr. Gordon Walker, superintendent of the Hattiesburg school district; Jansen Rainer, coordinator for the Moss Point Alternative School of the Moss Point school district; and Ronnie Johnson, JTPA coordinator for the Ross Collins Vocational Center of the Meridian school district.

The intervention and prevention program used in the Hattiesburg school district in kindergarten through 12th grade, is the focus of the regular feature segment.

This 'Education: The Way Up' program also airs at 2 p.m., Friday, Nov. 11, for the in-school use of teachers and administrators.

### HMC Ladies Auxiliary assists in day-to-day hospital tasks

BY JANET MCQUEEN

Sixty members strong, the Women's Auxiliary of Hancock Medical Center (better known as Pink Ladies) provides the hospital with a steady flow of helping hands and caring gestures.

Composed primarily of home-makers with grown children, the women volunteer their time and talents in a myriad of ways. In addition to the obvious positions of receptionists and deliverers of mail and plants, pink ladies assist in the medical

records and X-ray departments. Activity bags are assembled and distributed to young patients and trays are festively decorated for holidays. Families of critically ill patients are consoled and small children are occupied—while the elderly

patients are fed. Assistance is offered to those needing wheelchairs.

Secretarial tasks such as stuffing envelopes, filing and making copies are standard chores. Some assist at nurses stations and several serve as "floaters", helping out wherever there is a need.

A "Lifecall" emergency system where the elderly or sick can contact the police or hospital with the touch of a button is leased by the Women's Auxiliary.

A small profit made by the group on Lifecall in addition to vending machine profits provide the financial base for the

auxiliary.

#### INSTALLATION OF OFFICERS

New officers of the auxiliary were installed at a luncheon November 4 at the Bay-Waveland Yacht Club.

The new slate includes Theresa Bourgeois, president; Phil Lagasse, vice president; Billie Tudury, treasurer; and Dorothy Bielstein, secretary.

Ethel Evans was installing officer.

Ina Piazza was presented with a past president's pin for 1987-88.

Presented with volunteer service pins were Dorothy Bielstein, Goldie Beven, Dottie Corales and Beverly Malte.

Receiving 300-hour service charms were Clara Arnold, Genevieve Cole, Bobbie Goodell, Grace Hunter, Estelle Johnson, Betty Kiely, Phil Lagasse, Shirley Padgett, Ina Piazza, Margie Schultz, Billie Tudury and June Lasker.

Five hundred-hour charms were presented to Theresa Bourgeois, Ursula Favre and Edna Klempeter.

The luncheon was hosted by Hancock Medical Center and administrator Phil Wolfe commended the group for their service to the hospital.

An invitation is extended to persons wishing to become members of the incoming president, who may be reached at 467-7792.

## Energy assistance available to Coast Electric members

Coast Electric Power Association general manager Robert Occhi announced that a new program has been developed by the cooperative to provide financial aid to elderly and disabled persons who are consumer-members of the electric cooperative.

Occhi stated Coast Electric has established the "Share Your Blessings" Fund to help support the Emergency Energy Assistance Program, coordinated by the American Red Cross.

He said, "On behalf of the entire membership, Coast Electric has made a \$10,000 donation to the Red Cross for their energy assistance program. Our members, who qualify under the guidelines of the program will receive financial assistance to pay their electric bills."

Local chapters of the American Red Cross in Hancock, Harrison and Pearl River counties will process applicants requesting assistance. Occhi said that

the program is based on an individual's need and is not meant to supplement low income groups.

"The Red Cross does an outstanding job of providing assistance and financial aid to those individuals who have a real need for help. We know their decision is not based on election age or disability. They do a thorough review of an individual's situation and do have provisions for some extenuating circumstances."

According to Occhi, Coast Electric will collect donations from its members to supplement funding for the program. Additional funding for "Share Your Blessings" will come from contributions made by Coast Electric members, he said.

Any Coast Electric member desiring to contribute to the fund may do so by simply including their donation in with their monthly electric bill payment. Occhi added that special

donations should be made payable to the "Share Your Blessings" Fund and mailed to the local chapter of the American Red Cross. Occhi said the application for this program can be obtained at any of the American Red Cross in Hancock County, 337-7415; in Harrison County, 467-7609; or 896-4514; and in Pearl River County, 783-4218.

Persons needing assistance in paying their electric bills may apply to the program for their local chapter of the American Red Cross. Occhi said the application for this program can be obtained at any of the American Red Cross in Hancock County, 337-7415; in Harrison County, 467-7609; or 896-4514; and in Pearl River County, 783-4218.

## Strong recipient of USM Munro scholarship

University of Southern Mississippi students will continue their education with scholarships totaling \$5,200 from the Munro Petroleum Corp. in Biloxi.

USM Alumnus Tommy Munro—a former state senator, member of the USM graduating class of 1953 and president of Munro Petroleum and Terminal Corp. in Biloxi—provided

the fund for the scholarships. He also serves on the USM Foundation Board of Directors. Recipients of the scholarships were S. Blake Wallace of Mize; Mark Berglund of Plano,

Texas; and Denise M. Strong of Bay St. Louis.

Strong received the Munro Petroleum Annual Scholarship, a full-tuition scholarship worth \$3,700. Berglund received \$700 and Wallace was awarded \$800—both through the Munro Petroleum Endowed Scholarship, from which only the interest earned is used each year for awards.

The 19-year-old daughter of Mr. and Mrs. Donald Strong of Bay St. Louis, Strong is a sophomore marine biology and pre-pharmacy major at USM. She is a 1987 graduate of Our Lady Academy in Bay St. Louis.

At USM, Strong is a member of Delta Gamma sorority, Alpha Epsilon Delta pre-professional honorary and the Newman

Club.

A geography major with an emphasis in economic development, Berglund is the 23-year-old son of John and Darlene Berglund of Plano, Texas. A 1983 graduate of Plano Senior High School, he is vice president of Gamma Theta Upsilon geography honorary at USM where he also is active in intramural sports.

Wallace, the 32-year-old son of Audrey Lou Wallace of Mize and the late William David Wallace, is a master's degree student in economic development. A 1974 graduate of Mize High School, he received a bachelor's degree with honors in American studies from USM in 1987. He is the recipient of an \$800 scholarship.

## Schreiber named merit semifinalist

Jennifer Schreiber, daughter of Mr. and Mrs. Anthony Schreiber of the Diamondhead community, has been selected as a semifinalist in the 1989 competition for national Merit Scholarships. She is a senior at Hancock North Central High School.

membership, founder and president of HNC's Drama Club, Math and Science Tournament participant, co-captain of the team to go to the National Tournament of Excellence in Orlando, Fla. She was an exchange student in France last summer. Academic awards in English, French, physics and the Bausch and Lomb Science award also belong to Schreiber.

She is active in church activities, serving as a Eucharistic minister and teaching a Sunday school class. She plans to major in languages at Loyola University in New Orleans.

Committee decisions for the scholarships are based on an evaluation of high school course load and difficulty level of subject matter as well as grades earned, two sets of test scores, the student's demonstrated leadership and contributions to the school and community, the written recommendation and characterization by the school principal, and the finalist's self-description of interests, plans and goals. Winners will be the finalists who are judged to have the strongest record of attainment. HNC counselor Nancy Smith said the school is planning to endorse Schreiber who is in the top five percent of her class.

## Exchange students sought for studies abroad

"Qualified high school students are offered a unique opportunity to spend an academic year or summer holiday in Scandinavia, Germany, France, Switzerland, Britain, Holland, Spain, Italy, Canada, New Zealand, Australia, or Canada (French or English speaking) as part of the ASSE International Student Exchange Program," announced Julie Khaleghi, Southern regional director of ASSE.

"Until a few years ago, only a fortunate few could afford to spend a school year or summer abroad. Now, ASSE has changed all that," continued Khaleghi.

Students, 15 to 18 years old, qualify on the basis of academic performance, character references, and a genuine desire to experience life abroad with a volunteer host family from Europe, Canada, New Zealand or Australia.

"ASSE families abroad are carefully screened to provide a caring environment in which students can learn the language and culture of their host country," explained Khaleghi. Summer exchange students live with a family abroad who speaks English. Year students need not have learned a foreign language as they receive language and cultural instruction as part of the ASSE program. ASSE students attend regular high school classes along with their new overseas exchange friends. "ASSE exchange students learn by living the language and culture of their new host country," added Khaleghi.

The non-profit, public benefit ASSE International Student Exchange Program is affiliated with the National Swedish and Danish Department of Education and is participating in the President's International Youth Exchange Initiative. Local students who are interested in receiving more information

PVT. SINGLETON Army Reserve Private Dione R. Singleton, daughter of Mr. and Mrs. Maurice E. Singleton Sr. of Bay St. Louis, has completed basic training at Fort Jackson, S.C.

During the training, students received instruction in drill and ceremonies, weapons, map reading, tactics, military courtesy, military justice, first aid and Army history and traditions.

She is a 1988 graduate of Bay Senior High School, Bay St. Louis.

AIRMAN SWANIER Cullen J. Swanier, son of Anna M. Swanier of Pass Christian, has been specially identified for early promotion to senior airman in the U.S. Air Force.

The airman was awarded the new rating ahead of other Air Force members by a "below-the-zone" promotion board which considered job performance, military knowledge, bearing and self-improvement efforts.

The airman is a 1978 graduate of Pass Christian High School.

## NOTICE TO CONTRACTORS

Hancock County School Board plans to advertise for bids the New Junior/Senior High School, Hancock County on November 17, 1988 and receive bids in mid-December, 1988.

Plans and specifications will be available November 17, 1988. A Pre-Bid Conference will be held in the Board Room at 1:00 p.m. on November 22, 1988 to review the "Scope of Work" and to discuss the General Condition of the Contract. An additional Pre-Bid Conference will be held December 6, 1988 at 10:00 a.m. to discuss the technical aspects of the plan and specifications.

Prime Contractors can obtain a set of Contract Documents at these conferences upon deposit of \$400.00 for each set, to be refunded upon return of each complete set in good condition within 15 days from opening bids except that \$200.00 to cover the cost of reproduction will be deducted for each set, including each set in excess of one from a bona fide bidder on a prime contract.

Contract Documents may be examined at the offices of the Hancock County School District, Tompkins, Hansen & Fields, Architects and plan rooms in Mobile, AL; Gulfport, MS; New Orleans, LA and Jackson, MS. Bidders will be required to comply with all public bid laws of the State of Mississippi.

All interested parties are invited to review the Advertisement for Bids on November 17, 1988.

In increasing numbers, women are waiting longer to have children. So taking better care throughout pregnancy is more important than ever. Age, however, is not the only cause of high-risk pregnancy. Diabetes, high blood pressure, toxemia, and difficulties in previous pregnancy add to the risk.

#### Announcing our new High-Risk Pregnancy Program.

Leading perinatologists from Tulane University Medical Center join us at Slidell Memorial every week to conduct seminars, classes, and meetings, and conduct amniocentesis testing and ultrasound imaging. Special medical support and counseling with patients help lower high-risk throughout pregnancy.

Staff obstetrician monitors the pulse of pregnancy care.

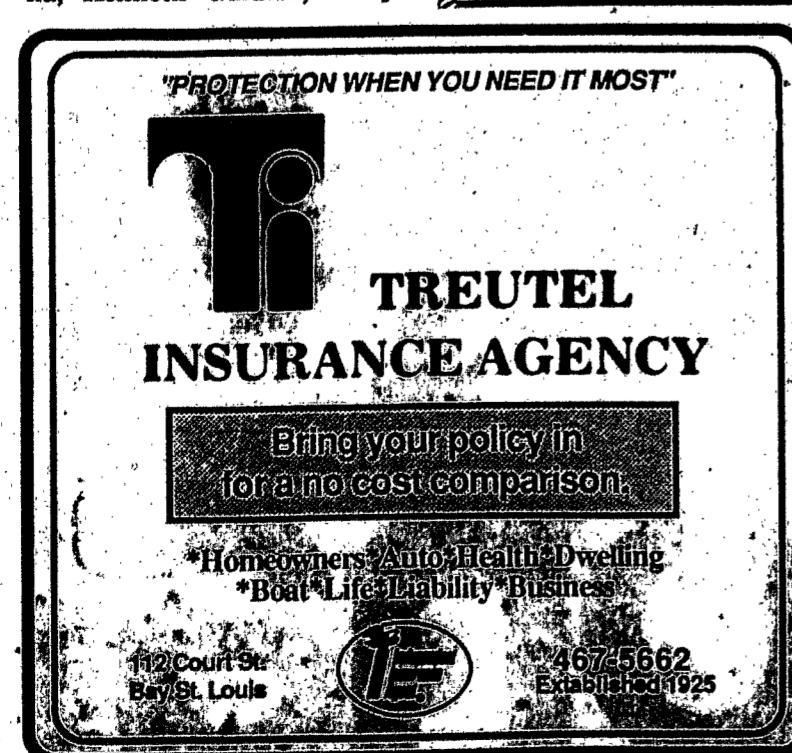

Our staff obstetrician and NICU staff oversee amniocentesis, ultrasound imaging, and premature labor contraction monitoring, as well as other important tests. Slidell Memorial also offers a variety of nutrition, fitness, and OB/Gyn programs for the expectant mother.

And when the time for delivery arrives, Slidell Memorial's special

How we lower the risk of high-risk pregnancy.

Transportation will get you to the hospital in record time. A Partnership with the hospital coordinates all the services you need to have a safe and healthy pregnancy.

GIANT SUPER MARKETS

A black and white collage of various food products and brands. At the top, the word "Schwegmann" is written in a large, stylized script font, with "Junk" in a blocky font to its right. Below this, there are several packages of "Pet-Hitz Pie Crusts" in different flavors. To the left, there are packages of "Bake & Serve Pie" in "Pumpkin Custard" and "Apple Cinnamon" flavors. In the center, there are various meat and cheese packages, including "Schwegmann Fleur De Lis" and "BROAD ROASTED SELF-BASTING". To the right, there are packages of "Jiffy Corn Bread" and "Folgers Super Saver" coffee. At the bottom, there are packages of "Philadelphia" cream cheese and "Dairy Deli & Frozen" products. On the far left, there is a package of "Hungry Jack" pancake mix. The overall image is a dense, cluttered collage of food packaging.

A black and white collage of various food product labels and packaging. The collage includes:

- Hunt's Tomato Ketchup
- Oscar Mayer Beef Patties
- Various soups:
  - Cream of Mushroom SOUP
  - Cream of Chicken SOUP
  - Cream of Celery SOUP

## Schwemann It's Worth The Trip!

Schwemann Slidell is worth the short 20-minute trip from Picayune and points north or from the Bay St. Louis-Waveland-Pass Christian area. It's a true shopping experience with more than three times the variety of items than most stores, and at low Schwemann prices. Whether you're shopping for a big family or small one, your weekly trip to Schwemann more than pays for itself in money saved.

Schwemann offers fresh, U.S.D.A. Choice meats that are guaranteed to please, plus a full selection of fresh seafood, produce, and even imported cheeses. Your one trip to Schwemann can also handle your other shopping needs, including party supplies, hardware items, housewares, sporting goods, automotive needs and more. Plenty of parking, buses welcome!
